  Hi all!

Hopefully you saw in my email, I did fill the two vacancies on the USES Steering Committee. Jeremy Song and Michael Hirshman are now joining Chris Sholley and Veronica Arbuckle on this committee. If you would like their contact info to get in touch with them regarding any USES-related concerns let me know.
Also, we will tentatively be having our end of council banquet after our last regular meeting on May 9. It will be in Ballroom B beginning right after meeting ends, probably around 8 or 8:30p. There will be food and we will be handing out superlative awards as well as Raising the Bar awards and prizes.

The application for Raising the Bar will be out sometime first week of next quarter so look out for that. Also, if you need a new booklet or need a signature for a seminar you attended, see Lauren Weiner. I'll be emailing the listserve regarding more details.

I'd also like to put together some kind of directory or booklet showcasing our senator's project, so that it can be made available to the students so they know what their senator's did for them this year and what else is still going on for them even once your term is over (like Adam's project to make a directory listing different small businesses in San Diego).

Hope you all have a great 9th week and good luck with upcoming finals!
