C. Resolution Opposing Action of Student Regulations and Revisions Committee to read as follows:

Resolution Opposing Suggested SCC Policy (6 March 2007)

Whereas, The Student Regulations and Revisions Committee (SRRC) is considering the extension of jurisdiction of the Student Conduct Code (SCC) to Registered Student Organizations (RSOs) and,

Whereas, The SRRC is considering the following policy: “any event involving alcohol, sponsored by an RSO, during recruitment, would be required to occur in a state license facility or an ABC licensed facility,”

Whereas, The intention of the policy is to “eliminate the promotion of underage drinking, the peer pressure of the hazing ritual and to limit Registered Student Organizations to hosting events at facilities/locations that are licensed by ABC.” (SRRC Agenda Jan. 30th 2007)

Whereas, The SCC already prohibits the “manufacture, distribution, dispensing, possession, consumption, or sale of, or the attempted manufacture, distribution, dispensing, or sale of alcohol which is unlawful or otherwise prohibited, or not in compliance with, University policy or UCSD regulations (SCC 17.11.12), therefore the SRRC proposed policy is redundant in its intention,

Whereas, The SCC is designed to “apply to all UCSD organizations and all persons on UCSD properties or elsewhere specified,” (10.11) yet the proposed policy would only be applicable to organizations that have a specified recruitment, which would directly contradict the clause that the SCC applies to all UCSD organizations,
Whereas, The SCC already does not condone hazing by RSOs (17.11.12 (1) Hazing or any method of initiation or pre-initiation into a UCSD organization, or any activity engaged in by the organization or members of the organization which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to any student or any person). The intention of the policy is also already covered within the SCC, therefore, be it,

*Resolved*, The Associated Students (ASUCSD) recommends SRRC does not adopt of this policy to the SCC.

Submitted by Lindsay Root.
