Take Back the Night will be a space of empowerment and survivor testimonials, with guest speaker, Tara Brewster, and community performances. Take Back the Night has inspired women to confront a myriad of social ills, including rape, sexual violence, domestic violence, violence against children, and violence against women. The goal of Take Back the Night is the assertion that all human beings have the right to be free from violence, the right to be heard, and the right to reclaim those rights if they are violated.
