Hello Council.
When VC Rue came to speak to council last quarter I asked her if her office would be willing to fund some students to go to NCORE (National Conference on Race and Ethnicity in Higher Education). Well, SHE DID! Yay! =) The Vice Chancellor's Office and the Diversity Office are funding 2 additional students to go! Therefore, if you or anyone you know would like to participate, please let me know (asdiversity@ucsd.edu). The conference is ALL of 9th week, and you must be at the conference the whole time, thus you would have to miss 9th week. But it is an AMAZING opportunity!
The NCORE conference series constitutes the leading and most comprehensive national forum on issues of race and ethnicity in American higher education. The conference focuses on the complex task of creating and sustaining comprehensive institutional change designed to improve racial and ethnic relations on campus and to expand opportunities for educational access and success by culturally diverse, traditionally underrepresented populations.
