• Soap Chum, Commissioner, Communications

• Candice Arnwine, Commissioner, Diversity Affairs
  
  As Commissioner of Diversity Affairs I am proud that I have had, thus far, a successful year as many of the legislative bills that I have submitted and co-sponsored have passed, although difficult at times, by our senators. The key to being a public leader of such a massive University such as UCSD is collaboration. When I was first elected I began my journey by visiting different facilities on campus to find out who I could work with to host a huge event on Diversity here at UCSD. I began with the Ethnic Studies department, and although I am an International Studies major, I had no fear in speaking to one of the advisors about things that the Ethnic Studies department sponsors to promote Ethnic Awareness; Yolanda Escamilla (a lovely women by the way) significant in the early beginnings of my career/job as Commissioner of Diversity Affairs. She told me about how the Ethnic Studies Department showcases events where they invite speakers to speak at their Colloquiums every quarter. This was fantastic as I wanted to invite Maya Angelou to Campus. From Yolanda, I went to the Women’s center and the LGBT resource center in hopes of gaining some support for my plans for the year, as well as giving some support; I also visited with Jorge Huerta (the Chief of Diversity Affairs). This pass academic year I co-sponsored:
  - Angela Davis’ visit (put on by the Women’s Center)
  - Out and Proud Week (put on this week (5th week) by LGBT resource center)
  - Stand up for kids
  - Unity Week (put on by the Black Student Union)
  - A Conference put on by SMART: Students and Scholars Mobilizing against Repressive Times (April 2006)
  - An event for Democracy for next school year put on by ART Power (this particular event had to be sponsored an entire year in advance thus is the reason for the early sponsorship)
  - SIORC overnight stay
  - Legislation for the Divestment in Sudan
  - Human Relations Awareness Week (Christopher Sweeten and I co-hosted on April 24, 2006 – a very successful turn out by the way)
  
  And last certainly not least, Maya Angelou (a dream come true – hopefully).
  
  My most useful advice for you Marco, would be to not only collaborate, but to dream higher than the clouds... So many people doubted that I could not and would not be able to bring Maya Angelou here on Campus, but with the help of Eric Morris we made this possible. Even if you are unable to fulfill your dreams in your term you can certainly plan and pass them on. Congratulations on your victory, and I wish you all the best of luck and Blessings for this upcoming year.

  Hillel of San Diego is going back before the City Council on Tuesday, May 9th at 5:30 PM at the Sherwood Auditorium in downtown La Jolla to get permission to build a Hillel facility for UCSD. A.S. has adopted two resolutions supporting the project. This has been a six-year process and the final step is here! Now we need you!
  This is how you can live up to the resolution we adopted and help UCSD secure a Hillel facility:
  1. Come to the City Council meeting! We want at least 100 students in attendance. It will probably last until 9 or 9:30pm, so even if you can only come for a little bit that would be great! Please email me at nspears@gmail.com if you think you will be able to attend the meeting.
     If you need a ride or will be able to drive a carpool please let me know.
  2. Please express your support for our efforts to the San Diego City Council. Please contact elected members and encourage them to support our UCSD Site 653 plans. In your email, please say that you are a student at UCSD and that if the City Council approves our plans, you pledge to be respectful of the neighbors.
     Exact language and email addresses can be found at this link: http://www.hillelsd.org/supporthillelhouse2.html
