    This year's Take Back the Night rally is being held Thursday, May 3 at 7 pm in Price Center. The Clothesline Project will again be featured on Library Walk the entire week prior to the event and all money raised through t-shirt and button sales will be donated to the Center for Community Solutions, the only rape crisis and victim service center in the San Diego area.

Several other organizations including the Sexual Assault Resource Center (SARC) and members of Women's Peers are supporting us during the planning stages. If you, too, would like to help plan the event, meetings are held at 7pm every Thursday in the Student Leadership Chambers. We'd love to see you there!

C. (The Following is the final version after amendments)  
Resolution Opposing Action of Student Regulations and Revisions Committee to read as  
follows:

Resolution Opposing Suggested SCC Policy (6 March 2007)

Whereas, The Student Regulations and Revisions Committee (SRRC) is considering the  
extension of jurisdiction of the Student Conduct Code (SCC) to Registered Student  
Organizations (RSOs) and,

Whereas, The SRRC is considering the following policy: “any event involving alcohol,  
sponsored by an RSO, during recruitment, would be required to occur in a state license facility or  
an ABC licensed facility,”

Whereas, The intention of the policy is to “eliminate the promotion of underage drinking,  
the peer pressure of the hazing ritual and to limit Registered Student Organizations to hosting  
events at facilities/locations that are licensed by ABC.” (SRRC Agenda Jan. 30th 2007)

Whereas, The SCC already prohibits the “manufacture, distribution, dispensing,  
possession, consumption, or sale of, or the attempted manufacture, distribution, dispensing, or  
sale of alcohol which is unlawful or otherwise prohibited, or not in compliance with, University  
policy or UCSD regulations (SCC 17.11.12), therefore the SRRC proposed policy is redundant in  
its intention,
Whereas, The SCC is designed to “apply to all UCSD organizations and all persons on UCSD properties or elsewhere specified,” (10.11) yet the proposed policy would only be applicable to organizations that have a specified recruitment, which would directly contradict the clause that the SCC applies to all UCSD organizations,

Whereas, The SCC already does not condone hazing by RSOs (17.11.12 (1) Hazing or any method of initiation or pre-initiation into a UCSD organization, or any activity engaged in by the organization or members of the organization which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to any student or any person). The intention of the policy is also already covered within the SCC, therefore, be it,

Resolved, The Associated Students (ASUCSD) recommends that SRRC, the Vice-Chancellor Student Affairs, and the Chancellor do not adopt this policy to the SCC.

Submitted by Lindsay Root.

Internal Committee recommends – PBC → PBC; Resolution # 10
