GLOSSARY:
Enterprises: Revenue generating entities that shall provide needed goods to students and/or the community at large. Enterprises shall be subdivided into two categories: Auxiliary Enterprises and Academic Enterprises. Academic Enterprises shall consist of all Enterprises whose goods are offered to promote increased levels of students’ academic welfare. Auxiliary Enterprises shall consist of all other Enterprises. Prices for these goods and services shall be set at or equal to fair market value. Each Enterprise shall be operated in a manner consistent with fair business practices and with positive net income goals. If such income goals cannot be met by a specific Enterprise, but the goods offered by that Enterprise are considered desirable then that Enterprise shall be subsidized by the A. S. Income Unallocated Account until such time that total costs are deemed to exceed the benefits of the continuation of that Enterprise. The lack of subsidization along with continued net income losses will result in the dissolution of the Enterprise.
